

Apostles Lutheran Preschool

September 15 - 17, 2009

**Preschool
Family Night**

**Tonight at
6:30!**

**Hope to see
you there!!**

The children have certainly enjoyed learning about fire safety this week. We learned **NEVER** to play with matches and if we find some, to tell an adult...not touch them. We also learned that if we are in a smoke filled house how to crawl low to avoid the smoke. The favorite thing to practice though was what we do if we catch on fire - **STOP! DROP and ROLL!!!!** Please ask your child to demonstrate for you. We have been practicing our fire drills so we know how to get out of school quickly and safely if there is a fire. It is recommended by the fire department that every family also have a plan of escape in case of a fire at home...they encourage everyone to practice that too. The highlight of the week is that the firemen will come on Thursday to visit with the children and let us check out their truck.

Our Bible lesson this week tells how God made Adam and Eve special.

Ask your child what God made Adam out of and what happened when He breathed into him. Then ask how God made Eve. The children also learn that Adam & Eve were perfect!!! The Bible treasure - "We are wonderfully made."

Next week we begin the letter of the week. We will introduce the letters and the sound or sounds they make. You can reinforce this at home by playing letter games with your child...example: look for the letter we are working on while shopping and help your child recognize it!!! The first letter we begin with is "F". Check your preschool calendar to see what letter we will be working on in the future.
