HAPPY HALLOWEEN

Pumpkin week is always a great time in the preschool. We dissected a pumpkin and found all the gooey, yucky stuff inside and the seeds. The seeds were baked so we could all see how yummy they taste. We had pumpkin game to play, pumpkin seeds to count, pumpkins to sew and ping-pong jack-o-lanterns to fish out of the water table. We even made special Halloween pumpkins for our families!!!!

Our Bible lesson this week was about how God gives His people the 10 commandments. We hear how Moses went to the top of a mountain and got 2 tablets of stone that God put His commands on. We also learn that none of us ever can keep all of them, but we are blessed with a God who loves us so much He sent His son Jesus to take away all our sins! The Bible treasure - "This is love to God - obey His commands."

Food Bank

Each year we gather nonperishable food for the Food Bank in November. If you would like to take part please bring your items and put them in the box in the preschool entryway. What a wonderful way to show God's love.
