

# Apostles Lutheran Preschool

## December 8 - 10, 2009

Preparations for Christmas are taking place in the preschool room. We have been practicing our songs and verses, made angels to remind us about angel Gabriel and we also made some other special gifts.

Mrs. Manning did a special lesson this week on antlers and horns....did you know there is a difference. Ask your child to explain it to you. (horns do not fall off and antlers do yearly) She brought different kinds of them from the zoo and the children were able to touch and play a game with them.

Our Bible lesson this week was about an angel named Gabriel. He had a special message for a young woman named Mary. Ask your child what the message was and then what she was to name him. We hear how God gives Mary a baby. We also hear that God gives Mary a husband named Joseph to watch over them. Bible treasure - "Give him the name Jesus."

### Dates to Remember

Saturday, Dec. 12 -  
Christmas for Kids  
9:00 - 11:30 a.m.

Practice  
1:00 - 2:00
