

# Apostles Lutheran Preschool

## February 9 - 11, 2010

Valentine excitement has hit the preschool room. The children have been busy making bags for their own valentine exchange and special gifts for their families. They also had the opportunity during work time to paint, sponge paint, cut, and color as many hearts as they desire.

We also had the theme of "feelings" this week. We discussed different feelings we have - happy, sad, scared, angry and excited. We demonstrate how our faces look when we have these feelings and how we feel inside when we have them. We discussed that it is okay to have all these feelings, but we can never hurt anyone else because of how we feel. We also discussed that no matter how we feel we can go to Jesus for help.

In our Bible lesson this week Jesus teaches how to show love. He tells the story of a man that was hurt and two people walked by and did nothing. Ask your child who helped the man and how. We learn that Jesus wants us to be kind to everyone. Bible treasure - "Serve one another in love."
