

Apostles Lutheran Preschool

September 20 - 22, 2011

We worked on our names, parent names and our addresses this week. We read a book featuring the Kid Guardians. They are animals that help teach children safety rules. The book this week was I Know Where I Live. In this lesson two children are lost and we learn the importance of knowing our full name, our parent's names and our address. They also told us the importance of the phone number, but at this time we will work on the first three parts. We will continue throughout the year to work on personal information at school and we hope you will do it at home too.

In our Bible lesson this week we hear how God made us special. We know He made everything else with just His words, but ask your child how God made the first man and what He named him (dirt and breathed into him - Adam). God loved Adam and gave him a beautiful garden to live in and let him name all the animals. Ask your child the name of the garden (Eden). Then God made someone for Adam, ask your child who God made and how (Eve from Adam's rib). Adam and Eve were perfect with no sin. Next week we will learn what happened to change Adam and Eve's perfect life. The Bible treasure this week - I am wonderfully made!

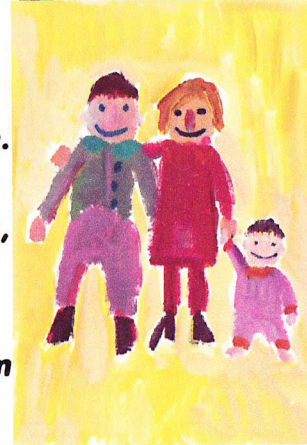

FAMILY NIGHT

Remember to join us
TONITE, September 22 at 6:30 p.m.

for Family Night.

There will be a children's devotion,
the preschool will sing and then
we will
enjoy making and eating ice cream
sundaes.

Letter of the Week

Next week we will begin working
on our letters by hearing,
visualizing and signing them.
We will begin with the letter
Ff.

Preschool Orientation

Please check your child's
folder for information about
our orientation on
Thursday, October 13
at 6:30.

Please remember to RSVP by
October 7. There will be a
basket for them by the sign in
book.
