

# **Apostles Lutheran Preschool**

## **November 15 - 17, 2011**

**Such a joyful noise could be heard throughout the church this week as the preschool learned about Music! We learned about different preschool instruments, we practiced different rhythms, and of course played the instruments. We also used them to practice counting, marching and just for fun. We even made our own trumpets to use with our story of Jericho. During work time the children enjoyed not only playing instruments, but painting, coloring and cutting musical notes. We also worked on our math skills with some Thanksgiving match, counting and shape games.**

**Our letter this week was "Mm". The upper and lower case do not look the same, but they do make the same sound.**

**We practice signing it and making that sound. On Wednesday we did musical art for "Mm" and transformed the artwork to a tambourine.**

**Our Bible lesson this week was about Jericho, a city that was protected by a large wall all the way around it. The people there did not love God or His people. What did they do when they saw God's people coming? (closed the gates) God wanted His people to have Jericho so He told them what to do to make the wall come down. Ask your child to show you with the trumpet he/she made how God made this happen. We remind them it was God's power, not the blowing that did it. Bible treasure - "Nothing is too hard for God!"**

**Next week we will have preschool only on Tuesday, November 22.**

**There will be no newsletter or folder sent home at that time.**

**We hope you all have a blessed and safe Thanksgiving.**

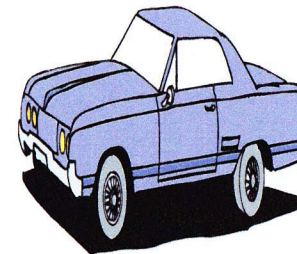

**If you would like to join us here at Apostles for our Thanksgiving Service it will be held Wednesday, November 23 at 7:00 p.m.**

### **Please Lock Cars**

**As the weather gets colder it is natural to want to leave our car running while we quickly drop off or pick up our children.**

**If you leave your car running PLEASE**

**lock it with another set of keys and do not leave valuables in it. This time of year is prime time for purse snatchers and they know where to target such cars.**

**Thank you to everyone who donated food for the Food Bank. it is appreciated!**
