

Apostles Lutheran Preschool

November 28 - December 1, 2011

The week was filled with activities that we had to use our five senses with. We used our ears to hear, our noses to smell, our tongue to taste, our fingers to touch and our eyes to see. We learned how important they are especially when we did our experiment with water/vinegar and salt/sugar. We used our senses to understand that just because something might look, feel or sound the same they can be very different. We used our noses to decide we did not want to drink the vinegar and our taste to show that salt is definitely not sugar. We also had mystery jars to see if we could identify the smells of lemon, cinnamon, chocolate, cloves and peanut butter. During work time the children were able to play a smelling or listening game and sort and match different touching games.

The letter for the week was "Yy" This is the last letter we do until after the Christmas program. It is a hard one, but the children are doing great signing and making the sounds.

The Bible lesson this week was about how God helps a young boy (David) defeat a giant (Goliath). David was a shepherd that loved and trusted in God. Ask your child what two animals tried to eat David's sheep, but God helped him kill them. (bear and lion) David goes to see his brother at war and hears Goliath making fun of God's people. David asks to fight Goliath. What does he take to fight Goliath? (sling and 5 smooth stones) What does Goliath do when he sees David? (laugh) How does David defeat Goliath? (with God's help) David trusted that God would help him just as He helps us. Bible treasure - "In God we trust."

DECEMBER EVENTS CALENDAR

December is always a busy month.

Please check the school calendar for these important dates:

Saturday, December 10

Program Practice 1:00 - 2:00 p.m.

Saturday, December 17

Program Practice 1:00 - 2:00 p.m.

Sunday, December 18

Preschool Program 4:00 p.m.

(preschool children need to be here by 3:45)

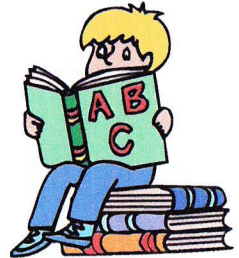

Join us for cookies and treats after the program.

(Please use the program invites in your child's folders for family and friends - if you need more see Mrs. Scott)

Book Orders

In the folders today you will find the book order for December.

If you would like to order, please return the order form

with a check made out to Scholastic books by Thursday, December 8. If you would like to order online the code is HCKPV.
