

Apostles Lutheran Preschool

December 6 - 8, 2011

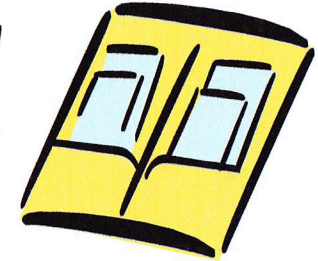

The countdown has started!!! The children are not only anxiously awaiting Jesus birthday, they are excited about their program also. We will have a short practice each day until they perform. They made special cards this week that they will use at the end of the program. They are busy practicing skills during worktime as we prepare. We have several fine motor activities such as a tweezer/sorting game and stringing beads to make candy canes. We practice our math skills with a shape match and a ornament counting game. They also have the opportunity to create and decorate trees, paint trees, candy canes or stockings. We even have a tree they can decorate and undecorate as many times as they would like.

Our Bible lesson this week was about three men (Shadrach, Meshach and Abednego) that God saved from a fiery furnace. They lived where an evil King ruled (King Nebuchadnezzar). They loved God and the King did not. The King built a tall golden statue and told everyone to worship it or he would throw them into a fiery furnace. The three men refused. Ask your child what happened next!!! The Bible treasure - "Worship the Lord your God!"

Parent Crosslink and Simply Family

In your child's folder today you will find two great parenting guides. One is from our church synod and the other is our local parenting magazine. Check them both out for great ideas and the community calendar for Billings.

Preschool Program Practice

We will practice as a complete preschool
Saturday, Dec. 10 and 17
at 1:00 to 2:00 p.m.
Hope you all can make it!!
Parents you get an hour free to
shop or relax!

Just a reminder - tuition is due.
