

Apostles Lutheran Preschool

January 24 - 27, 2012

What a wonderful week. We worked on and practiced our manners all week. We reinforce them everyday, but it is something we all need to work on all the time. The children have been doing a terrific job not only on their manners but on using their words. We made manner necklaces....hope they showed them to you. We also role played using manner words. During work time some of the children enjoyed making manner caterpillars.

We finished the week with share day. This is a time for each child to come in front of their classmates and say a few words and show something that is special to them. I think it is important for them to be able to get up in front of their peers in a unthreatening environment, we all know this is a tough one.

This week we signed and made the sound for the letter "Kk". It was a hard one to sign, but they all worked hard at it. On Wednesday we made Kix K's and had them for snack too!

In our Bible lesson this week we heard about another miracle that Jesus did. In the lesson Jesus had been teaching and preaching to many people and was tired. He and His friends got in a boat. Ask your child what Jesus did then. (went to sleep) A great storm came up and scared His friends so they woke Jesus up. Ask what Jesus did then!! (He said "Quiet, be still!) Jesus' friends were amazed when the storm stopped. Who did Jesus' friends turn too when they were in trouble? (Jesus) Just like we can!!! Bible treasure - "Call on me in the day of trouble."
