

The Mission of Apostles Evangelical Lutheran Church and Preschool

As God's disciples, we the men, women
and children of Apostles, are united in
preaching, teaching and sharing God's
Word in its truth and purity.

By God's grace, we will nurture
believers and joyfully spread the
Word of God in our community and
throughout the world, all to His glory.

Serving our Community

Apostles Lutheran Preschool strives to provide quality early childhood education in a safe Christian environment by...

- daily sharing Bible lessons to stimulate spiritual growth.
- providing a theme based curriculum to assist with academic growth.
- offering opportunities for gross motor development for their physical growth.
- encouraging creative play with other children in order to develop emotional growth.

Apostles' goal is to plant the seed of wisdom, nurture the children with love, and to watch them grow physically, emotionally and spiritually.

Our mission does not only include the children but our goal is to nurture the entire family. Throughout the year there will be several events hosted by the preschool to promote interaction with other preschool parents and children. The entire family will have the opportunity to participate in projects and fellowship during the family nights.
